

Sailing Volunteer Information

Volunteers are the backbone of many successful sailing programs. Sailing volunteers have the unique opportunity to encourage enthusiasm for sailing, create and foster positive relationships, and serve as role models for class participants. Our sailing volunteers can help in many ways, including piloting a safety boat, assisting with instruction, loading boats/trailers, and performing basic boat maintenance. Volunteers work closely with the Sailing Coordinator and sailing staff.

Please fill out the questions below and email this form to Haley Lhamon – Sailing Coordinator – at haley@biparks.org and Jeff Ozimek – Outdoor Program Manager - at jeff@biparks.org.

Name: _____

Email: _____

Home Phone: _____

Cell Phone: _____

Birthdate (if under 18):

Why do you want to become a sailing volunteer?

How would you like to be involved?

What days and times are you available to help?

Have you been a volunteer for other programs? Yes or No

(If yes, please describe with whom, for how long, and duties)

What is your boating experience (if any)?
