TEEN CENTER NEW LOCATION

The new location is at the Aquatics Center in Meeting Room B and C where the old Boys and Girls Club used to operate. The address is 8521 Madison Avenue, Bainbridge Island.

We provide a teen program that helps teens connect, become leaders, learn, play, hang out, and make a difference.

We're open all summer, and we have air conditioning...so the Teen Center remains the center of the cool universe year-round. Try something different, talk to somebody new or just check it out. It's OK to just have fun.

Exclusively for teens of middle and high school age.
