## WILDERNESS PROGRAMS

**“The mountains are calling and I must go.” – John Muir**

**Remote, rugged, undeveloped.** Wilderness is a land heritage that is uniquely American. With passage of the Wilderness Act of 1964, Americans chartered a new course in world history to preserve and protect some of the country’s last remaining wild places. The United States was the first country in the world to designate wilderness areas through law. In the words of Pulitzer novelist Wallace Stegner: “Something will have gone out of us as a people if we ever let the remaining wilderness be destroyed.” Come join us and experience our unique wild heritage.

### FAQS

**General** - Our wilderness trips offer one-of-a-kind experience, rewarding participants with the very best that the backcountry has to offer. A detailed email will be sent out approximately a few days before the start of each program, with information on where to meet, what to bring, weather forecast, medical waivers, emergency contacts, and more. For questions about trips, contact Ranger Sciacca, Wilderness Program Coordinator, at [rangers@biparks.org](mailto:rangers@biparks.org)

**Trip Leaders** - Our trip leaders are Wilderness First Responder or Wilderness EMT trained professionals, who bring a wealth of backcountry medical knowledge, years of outdoor experience, and emergency response equipment on every hike. They are highly qualified, knowledgeable, and awesome to hike with.

**The Outdoor Gearbank** - Don't let a lack of gear stop you. Participants can use our equipment for free! Our Outdoor Gearbank has backpacks, tents, sleeping pads, snowshoes, rain gear, and much more available to borrow for free.

**Physical Fitness** - Participants need to be physically fit for each trip's unique challenges. Mileage is round-trip, terrain and trails vary. The District reserves the right to require a doctor's note to clear a participant for participation.

**Pricing** - An incredible value for the amount of time, preparation, and quality expertise that go into each trip. Pricing includes trip leader, guiding time, gear, transportation, fuel, permits, emergency response equipment, and park entrance fees. Food and snacks are included for multi-day trips. The Hooky Hiking Club (HHC) trips have a special stacking discount that's applied on all HHC hikes and reset each calendar year.

**Transportation** - The District's 15-passenger vans are used for most wilderness trips, allowing easier and more comfortable access along backcountry roads. If the route includes a ferry, participants should bring their ferry pass or a way to pay their passenger fee. We cover the vehicle fare.

**Equipment** - Participants are responsible for providing their own personal clothing and equipment, but our Outdoor Gearbank may have items that can be borrowed for free. Inquire with your trip leader so they can help you get set up for success.

**Registration Deadlines** - Registration deadline is three days before program start date. This allows us to effectively communicate with participants about any needs we can help accommodate as well as ensure each trip is a good fit. It is helpful and saves time to have participant waivers, medical information, and other forms turned in beforehand. The District reserves the right to require a doctor's note to clear a participant for participation.

**Refunds** - For questions about refunds, please see page 87. If weather or road closures cancel a trip, a pro-rated credit will be refunded for the missed day.

### THE HOOKY HIKING CLUB

Ages 10-99. Sneak away from your normally scheduled day and come explore the great outdoors! We'll visit some of the most beautiful spots around — lush river canyons, open wildflower meadows, breathtaking ridge top views, and sparkling alpine lakes. Meet at SHP, usually at 8:00am; most trips return 5:30-7:30pm. Mileages are round-trip. Participants under 14 must be accompanied by a parent or guardian. For questions about refunds, please see page 87.

### HIKE MORE, SAVE MORE!

Pick dates according to what works for your own schedule! For every hike after the first, a stacking discount will be applied, counting towards all HHC hikes for the remainder of the calendar year.

1st hike = \$69; 2nd hike = \$66; 3rd hike = \$63; 4th hike = \$60; 5th+ hike = \$57.

## DAY HIKING

Explore your outdoors, out and back in a day

### DUNGENESS MEADOWS

~10 miles

~800ft elev. gain

This gentle trail follows the Dungeness River through big stands of Douglas fir, past the confluence with Royal Creek and into the Buckhorn Wilderness. There we'll turn onto the seldom-visited Heather Creek trail and pass through a series of bright riverside meadows — perfect spots for lunch!

### MIDDLE FORK SNOQUALMIE **NEW!**

~11.6 miles

~500ft elev. gain

We'll cover ground quickly on this gentle trail along the Middle Fork Snoqualmie River. The trail passes through a variety of beautiful forest scenes, popping out occasionally for views of the surrounding peaks. Have lunch by the river and watch beautiful green water tumbling over smooth white rocks.

### LAKE DOROTHY **NEW!**

~7.4 miles

~1,100ft elev. gain

Hike past huge old-growth cedars as we climb up to lovely Lake Dorothy! This is one of the longest lakes in the Alpine Lakes Wilderness — we'll hike along the shore for almost 2 miles enjoying great views the whole way!

### BUCKHORN PASS **NEW!**

~13.8 miles

~2,600ft elev. gain

Enjoy miles of hiking through some of the most expansive meadows in the Olympics — and they should be in full bloom! This trail is free of snow earlier than most, which means that from Buckhorn Pass, we'll see a panorama of snow-blanketed peaks and ridges. We gain quite a bit of elevation, but the incline is gradual and consistent — hardly a steep step awaits you. **\*\*NOTE:** Trip meets at 7am.

### ELWHA RIVER LOOP

~8 miles

~900ft elev. gain

A highlight every mile! On the way to the trailhead, we'll visit the site of the recently removed Elwha dam and explore the former lake bed. Once on the trail, we'll visit Goblins Gate, where the Elwha whirlpools and surges into a narrow canyon. Then it's on to Humes Ranch, with a picturesque meadow and a restored 1800s cabin. Finally, we'll check out an impressive suspension bridge across the Elwha River.

### SUNSET & STARS AT DEER PARK MEADOWS **NEW!**

~4.5 miles

~800ft elev. gain

Watch the sun set over the mountains and the Strait of Juan de Fuca from one of the highest trails in the Olympics! We'll hike along the ridgetop as the light fades, and we'll be in perfect position to transition from sun-gazing to star-gazing. Your trip leader Eric Strickler knows his constellations and wants to teach you all about them! Hot drinks offered as well. **\*\*NOTE:** Trip Meets at 6pm — make sure to bring a headlamp!

### EBEY'S LANDING LOOP **NEW!**

~5.5 miles

~300ft elev. gain

We'll hop the ferry to Whidbey Island for a classic Puget Sound excursion! Starting at the Ebey's Prairie Lookout, we'll walk past open wheat fields to the bluff trail. Perched 300 feet above the Sound, the bluff features windswept trees, great views across the water, and dry, grassy slopes with flowers. Then we'll head down to the beach, and loop back to the van.

### MARMOT PASS AND BUCKHORN MOUNTAIN

~11-13 miles

~3,500-4,500ft elev. gain

Starting in old growth along the Big Quilcene River this hike is chock full of rugged landscapes. While the trail never gets too steep, this hike involves some real elevation gain. Hikers will have the option to hang out at Marmot Pass for a couple of hours, soaking in sweeping views of the interior of the Olympics, or hike an extra mile up to summit lofty Buckhorn Mountain, one of the highest points in the Olympics. **\*\*NOTE:** Trip meets at 7am.

### LOWER SOUTH FORK SKOKOMISH **NEW!**

~8.5 miles

~800ft elev. gain

Douglas Fir and Western Hemlock line the trail with some of the largest trees you'll find in the Olympics, many more than 9 feet in diameter. We'll cross no fewer than 7 bridges as we follow the Skokomish River to a beautiful waterfall near Camp Comfort. Sign up and enjoy the sights and sounds of one of the most scenic and easily accessible trails in the park.

## COOL OFF WITH A SPLASH IN THE POOL. OPEN SWIMS DAILY

Monday-Friday 2:30-4:30p

Friday 5:00-7:00p

Saturday/Sunday 1:00-4:00p

For the most up-to-date information visit [www.biaquatics.org](http://www.biaquatics.org)

### GRAND RIDGE

~6 miles

~900ft elev. gain

One of the highest trails in in the Olympics topping out at over 6,400ft! We'll walk along the top of an open ridge and enjoy 360° views the whole way — jagged peaks, open talus slopes, and majestic views out over the Strait of Juan de Fuca, where boats inch along and waves shimmer more than a mile straight down.

### DUNGENESS SPIT'S MARINE WONDERS

~11 miles

~100ft elev. gain

This hike will take you 5 miles out into the ocean on a narrow strip of beach, AND teach you about the local marine life as well! Eric Strickler will use his marine knowledge to lead an exploration of sea life in the open waters and tidelands around Dungeness Spit. Don't forget your binoculars and a camera for the views from the historic lighthouse at the end of the spit! \*\*NOTE: Trip meets at 7:30am to catch low tide.

### MONTE CRISTO **NEW!**

~8 miles

~700ft elev. gain

This is a classic Cascade Mountains hike, starting from Barlow Pass on the Mountain Loop Highway. We'll hike an old mining road in the wide-open Sauk River Valley, enjoying sweeping views of jagged peaks on all sides. Have lunch at a pleasant meadow near the Monte Cristo ghost town, where a few interesting artifacts still remain, including a giant and still-functional railway turntable.

### MT. WALKER SUNRISE HIKE **NEW!**

~4 miles

~2,000ft elev. gain

On this trip we will hike, in the dark, up to the viewpoints atop Mt. Walker. We'll see the high peaks of the Olympic mountains illuminate at dawn, and then we'll watch morning light fill the valleys of Puget Sound and the defining ridges and volcanoes of the Cascade mountains. Hot drinks will be offered, and there's no better place to enjoy them! \*\*NOTE: Trip Meets at 2:30am — make sure to bring a headlamp!

## PROGRAMS FOR TEENS AGES 13-17

### SUMMERLAND MEADOWS AT MT. RAINIER **NEW!**

~12 miles

~3,000ft elev. gain

This hike on the famous Wonderland Trail will bring you from dense forests, past sweeping wildflowers and to the stunning vista of Panhandle Gap, ~6,800ft. From the rugged surroundings, you can view the volcanoes of Mt. Adams and Mt. Hood in the distance. On your other side, the glaciers of Mt. Rainier and little Tahoma provide a stunning backdrop. \*\*NOTE: Trip Meets at 6:30am to ensure parking at small lot.

### MT. BAKER HIGHLIGHT REEL **NEW!**

~7.5 miles

~2,200ft elev. gain

It will take us a little while to get there — a ferry ride to Seattle and a 2-hour drive — but this jaw-dropping hike is ABSOLUTELY worth it! We'll take the Park Butte Trail up through lush wildflower and huckleberry meadows to a historic fire lookout cabin perched atop a rocky crag. There we'll enjoy stunning, up-close-and-personal views of Mt Baker's deep blue glaciers. \*\*NOTE: Trip meets at 6:30am.

## WILDERNESS SKILLS

A journey of a thousand miles begins with one step.

### NOLS WILDERNESS FIRST AID (WFA) **NEW!**

Ages 16-99. The Wilderness First Aid (WFA) course will help you prepare for the unexpected. This fast-paced, hands-on training is designed to meet the needs of trip leaders, camp staff, outdoor enthusiasts and individuals working in remote locations. It will introduce you to caring for people who become ill or injured far from definitive medical care. Classroom lectures and demonstrations are combined with realistic scenarios where mock patients will challenge you to integrate your learning. At the end of the course, you'll have the knowledge, skills and ability to make sound decisions in emergency situations. Taught by seasoned instructors from NOLS Wilderness Medicine Institute in a two-day weekend format. Learning takes place both in the classroom and in outdoor settings regardless of weather conditions. Come prepared for wet, muddy, cold or hot environments. Held at Prue's House at Hilltop and Grand Forest. Visit <http://biparks.org/wilderness-skills/> for specific course details, curriculum, and packing list. **Registration Deadline May 8, no refunds after deadline has passed.**

## ROYAL LAKE **NEW!**

**~7.2 miles/day**      **2 days**      **~2,600ft elev. change/day**

Ages 14-17. One of THE most stunning spots in Olympic National Park, Royal Lake is truly one of nature's playgrounds. The trail up never turns uphill too steeply and provides only sneak peeks of what lies at our final destination. Once at the lake we'll leave the heavy packs behind and explore the wonder that is Royal Basin, full of pristine teal pools and jagged views of the surrounding peaks. This is a difficult trip — participants must be in excellent shape.

## FORAGING FOR MEDICINAL HERBS **NEW!**

Ages 9-99. During the summer months, the island is teeming with edible plants and medicinal herbs. In this class, we will explore some of the island's parks and learn how to ethically collect and process the medicinal plants that grow there. By learning how to create relationships with the plants and their properties, the land truly comes alive, and we sense a deeper connection to the place where we live. Ideally, we collect and make medicines according to what is ready in each season. This class is a foundation for beginning that practice. Each class, students will make a preparation in the field, and may be asked to bring a few additional, easy-to-obtain supplies.
