

# BAINBRIDGE ISLAND METROPOLITAN PARK & RECREATION DISTRICT

## NOTICE

### SECOND PRESENTATION SAKAI PARK SITE PLAN OPTIONS

We want to inform you of the second presentation the architectural firm Jones & Jones will be making on site plan options for Sakai Park. This will be done during an agenda item at the July 6, 2017 regular board meeting of the Bainbridge Island Metropolitan Park & Recreation District.

The Jones & Jones team includes landscape architects, architects, and civil engineers. Their first presentation was made on June 1, 2017 at which time site plan studies for Sakai Park were presented that reflected the community's recommended uses for the park. These recommended uses were generated through an extensive public process in 2016.

The upcoming second Jones & Jones presentation will narrow down the site plan options into those that best take into account the property's constraints. The presentation will be made to the Park Board and interested members of the public. It will include more developed site configurations and analyses by Jones & Jones than the first presentation.

If interested in attending this presentation, please come to this important board meeting.

Date: July 6, 2017

Topic: Second Presentation on Sakai Park Site Plan Options  
Agenda Item of Regular Board Meeting

Time: 6:00 pm

Location: Bainbridge Island Aquatic Center  
8521 Madison Avenue North  
Bainbridge Island, WA 98110

After the presentation, time will be provided to take questions from the board and the general public. No action will be taken by the board on a final preferred site plan option at this meeting.

The design options presented at the July 6, 2017 board meeting will be posted on the Park District's website after the meeting as well as any subsequent revisions of these designs.

Any public comments on the design options may be directed to Senior Planner Perry Barrett at [perry@biparks.org](mailto:perry@biparks.org).
