

BAINBRIDGE ISLAND METROPOLITAN PARK & RECREATION DISTRICT

RESOLUTION 2013-13

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE BAINBRIDGE ISLAND METROPOLITAN PARK & RECREATION DISTRICT, KITSAP COUNTY, WASHINGTON, AUTHORIZING AND DIRECTING THE COUNTY ASSESSOR TO LEVY REGULAR PROPERTY TAXES AS OUTLINED BELOW FOR COLLECTION IN 2014 FOR OPERATION AND MAINTENANCE COSTS IN THE YEAR 2014, AS WELL AS FOR COSTS RELATED TO THE ACQUISITION, DEVELOPMENT AND IMPROVEMENT OF PARK LAND.

WHEREAS the Board of Commissioners of the Bainbridge Island Metropolitan Park & Recreation District has met and reviewed the Park District's General Fund Budget for the calendar year 2014; and

WHEREAS the District's actual levy amount for 2013 is \$3,919,938.00 even though it was anticipated to be \$3,986,563.00 in Resolution 2012-28 adopted on November 15, 2012; and

WHEREAS in the November 4, 2008 general election, island residents voted to approve a levy lid lift increase in accordance with Resolution 2008-17 authorizing a maximum total levy rate of \$.75 per \$1,000 of assessed value for collection in 2009 and will be used to calculate subsequent levy limits; and

WHEREAS the maximum total levy lid lift rate was approved by voters with the understanding that the increase in tax revenues would be used for the acquisition, development, and improvement of park properties as specified in Resolution 2008-17; and

WHEREAS the 2014 General Fund Budget breaks out the amount of tax revenues available for Park District operations and maintenance, and the amount of tax revenues available for acquisition, development and park improvements in the following manner;

1. Park District operations and maintenance: calculated by adding 1% (plus the percentage designated by the County for new construction) to the 2013 tax revenue.
2. Acquisition, development, and park improvements ("lid lift" funds): calculated by subtracting the amount for Park District operations and maintenance from the total amount budgeted for 2014 tax revenues (\$0 is available in 2013 for lid lift funds); and

WHEREAS the rationale for determining the amount of tax revenues available for Park District basic operations and maintenance is based on Washington State law under which metropolitan park districts are entitled to the lesser of a one percent increase or the rate of inflation over the previous year's levy; and

WHEREAS this is the amount the Park District is entitled to each year for operations and maintenance if the levy lid lift had not increased the maximum allowed in tax revenues to \$.75 per \$1000 of assessed value in order to create additional revenues for the acquisition, development and improvement of park land, and

WHEREAS metropolitan park districts are also entitled by Washington State law to additional tax revenues resulting from new construction, improvements to property, newly constructed wind turbines, any increase in the value of state assessed property, any annexations that have occurred and refunds made; and

WHEREAS in setting the levy amount it is recommended by the County Assessor's Office that an additional amount be added to the base budget for tax revenues the District is entitled to receive but which may be unknown at this time, such as new construction, property improvements, increased property values, state utility tax assessments, refunds, etc.; and

WHEREAS the District serves a population of more than 10,000.00 on Bainbridge Island,

NOW THEREFORE BE IT RESOLVED by the Board of Commissioners of the Bainbridge Island Metropolitan Park & Recreation District, Kitsap County, Washington, as follows:

1.
