UNFINISHED BUSINESS

INTERN PRESENTATION - 2019 ANNUAL REVIEW: Recreation Division Superintendent Bryan Garoutte introduced the chair of the Park District’s Intern Committee Bryan Peterson. Prior to the presentation, the District’s newest intern was introduced, Deleane Chavez, who is here from Long Beach, California for an internship with the Active Adults Department. Program Manager Sue Barrington said she is delighted to have her here. Bryan Peterson said one of the highlights of his job is working with the Intern Committee. A goal of the intern program is to attract diverse and highly qualified candidates and in 2019 marketing tools were expanded and interview questions were revised. This past year, the Park District had 29 applicants, four interns from colleges throughout the country, and three high school interns through a partnership with Bainbridge Youth Services. Interns were provided well-rounded experiences that included the development of mutually-beneficial curricula, professional development workshops, increased exposure to the field through a split-supervisor model, mentorship opportunities with professionals in the local community, and
personal support. The 2019 interns worked in sports, sports field management, marketing, special events, general recreation, active adult, and youth and teen programs. The gratitude they expressed points to the success of the program. Board members commented on the excellent presentation and were pleased to see how the Intern Program has taken off.

Michael Pollock expressed appreciation to all and offered to be of help while serving on the City Council. Board members conveyed thanks and said they will look forward to working with him in his new capacity as a member of the City Council. MSC: DeWitt/Janow: That Resolution 2020-01, honoring Michael Pollock for his years of service to the Park District, be adopted.

RESOLUTION 2020-02: PETTY CASH FUND: Administrative Division Director Amy Swenson said this resolution is needed to update the Petty Cash Fund custodians following the retirement of Julie McGinty. MSC: DeWitt/Janow: That Resolution 2020-02, revising the Park Districts Petty Cash Funds, be revised.

RESOLUTION 2020-03: PAYROLL SIGNERS & FUND TRANSFERS: Administrative Division Director Amy Swenson said this resolution is needed to update the authorized signers on the payroll checking account and those who are authorized to make payroll fund transfers. MSC: Janow/Kinney: That Resolution 2020-03, revising signers on the payroll checking account and those who can request payroll fund transfers, be adopted.

RESOLUTION 2020-04: RCO GRANT REPRESENTATIVE/AGENT: Senior Planner Perry Barrett introduced this resolution pertaining to the RCO grant awarded to the Park District for Sakai Park and amending the authorized signer. He noted that the initial amount awarded in grant funds was $399,000 and that RCO has now informed him that the amount is going to increase to $750,000. When asked by the board why there was such a significant increase, he speculated that another agency may not have been able to come up with the required match in funds. Commissioner DeWitt commended staff for building up a solid reserve fund over the years so the Park District can come up with matching grant funds when needed. MSC: Janow/DeWitt: That Resolution 2020-04, revising the grant representative/agent for the Sakai RCO grant, be adopted.

RESOLUTION 2020-05: HONORING JEFF OZIMEK: Administrative Manager Elizabeth Shepherd read aloud the resolution honoring Outdoor Programs Manager Jeff Ozimek who has served in this position for almost ten years and is now leaving the Park District to pursue another career opportunity. Jeff Ozimek conveyed thanks to the Park District for providing him with an incredible opportunity to serve the community. The board expressed thanks to him for all he has done to build such a successful outdoors program. Former commissioner Kirk Robinson said he was on the board when Jeff Ozimek first arrived and that the impact he has made in the community is significant. MSC: Janow/Kinney: That Resolution 2020-05, honoring Outdoor Programs Manager Jeff Ozimek for his years of service to the Park District, be adopted.

UPCOMING MEETINGS & EVENTS: 2/27/20: Special Board Meeting

BOARD MEMBER ITEMS:

- Commissioner DeWitt said the application period for the board vacancy closed yesterday, and that he and Commissioner Kinney as members of the Personnel Committee will review the applications and bring their recommendation for finalists to the 2/20 board meeting. The finalists will be interviewed by the full board in open session at a special board meeting on 2/27, and it is anticipated a decision will be made that evening. The new commissioner will be sworn in on the 3/5 board meeting.

- Commissioner Janow spoke recently at the Senior Center and it was so successful she plans to go back every few months. She said about 15-20 seniors attended with some mentioning a need for help with the trails so they don’t get lost, possibly more signage or walking the trails with staff. Dan Hamlin suggested providing education on the use of trail maps and markers that are currently in place.

- Commissioner Janow attended the recent City Council meeting when the joint trails map was presented and commended Dan Hamlin for a great presentation.

- Commissioner Janow said she and Commissioner Kinney have attended several meetings with the BI Land Trust to address some challenges that have come up between the Land Trust and Park District. Commissioner Kinney said the conflict has been around the interpretation of conservation easements, and that the two entities are working to create a better definition so everyone is on the same page. Commissioner Janow said the Land Trust is very interested in transportation corridors and would like to be a participant in this effort.

- Commissioner Swolgaard asked for an update on obtaining permitting for the Sakai Park trail. Dan Hamlin reviewed the permitting process to date and noted that while almost everything is completed, the final step is taking some time since the City is short staffed. It has taken two years for the permit to come this far.
• Commissioner Janow asked about the status of several items and was informed by staff that the Eaglesdale Pottery Studio is open again and that the KidsUp Playground will be closed until this fall when Phase 1 of the renovation is expected to be done.
