**Indemnification.** User Group understands that its use and possession of the Premises involve inherent risk, which could result in property damage, illness and/or bodily injury (up to and including death), and which includes risk of exposure to and infection by the novel coronavirus, COVID-19. User Group understands that exposure and infection can result from the actions and/or omissions of User Group, members of the public, and District employees, agents and contractors, and that infection could result in illness, bodily injury, permanent disability and/or death. Although the District has implemented preventive measures to reduce the spread of COVID-19, risk of exposure and infection cannot be eliminated entirely. In and for good and valuable consideration, User Group hereby (i) assumes the risk and all responsibility for the health and safety of User Group and its employees, agents and invitees when using or possessing the Premises; (ii) waives and forever releases the District and its employees, agents and contractors from any and all claims (including those for illness and bodily injury) arising out of or relating in any way whatsoever to User Group's use and possession of the Premises, even though said claims may arise out of the negligence of the District and its employees, agents and contractors; (iii) limits the District's liability to the limits of the District's insurance policy if the foregoing waiver and release is adjudged to be unenforceable; (iv) agrees to defend, indemnify and hold the District and its employees, agents and contractors harmless from and against any and all claims (including those for illness and bodily injury), damages, liabilities and expenses (including attorney fees) arising out of or relating in any whatsoever to User Group's use and possession of the Premises, any condition of the Premises in the possession or under the control of User Group, and/or User Group's breach of this Agreement; and (v) agrees to notify the District if User Group or any of its employees, agents, participants and invitees tests positive for COVID-19, has been exposed or potentially exposed to COVID-19, or is experiencing symptoms associated with COVID-19, including, without limitation, fever, shortness of breath, cough, and loss of

taste or smell. This clause shall survive the termination of this Agreement and be fully applicable and enforceable thereafter.

**Liability Insurance.** Before using the Premises, User Group shall procure and carry the following insurance at User Group's cost: comprehensive general liability insurance in a responsible company with limits of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate. Such insurance shall cover all risks arising directly or indirectly out of User Group's activities on or any condition of the Premises, whether or not related to an occurrence caused or contributed to Park District negligence. Such insurance shall protect User Group against the claims of the Park District on account of the obligations assumed by User Group hereunder, and shall name the Park District as an additional insured. A Certificate of Insurance shall be provided to the Park District upon completion of this signed application.

In signing below, I acknowledge that I am an authorized representative of the above-named User Group, and have read and understand the Park District's "Athletic Field & Sports Facility Rental Manual", and agree to abide by all the rules, regulations, and conditions of use stipulated in this document.
