Events

Efficiencies

Solar at Pool, Lighting Projects, **Energy Savings Projects**

2007 Online Reservations

As of 2019, over 90% of participants use the online sign-up.

Energy efficiency

Green committee established to plan and implement cost savings and energy savings projects

Vehicle Replacement Plan

Purchase larger mowers and equipment to reduce labor hours.

Efficiency in Staffing

Merge customer service and registration to one facility.

Accounting Software

As number of employees increased, efficient software reduced administrative time per person.

Timesheet Software

Better tracking of time and reduced paperwork.
