

Welcome to the **BAINBRIDGE ISLAND RECREATION CENTER** *Reopening September 7!*

The Park District is excited to open the Bainbridge Island Recreation Center (BIRC) this September. This past year has shown us just how invaluable parks and recreation is to the heart of our community. We are well aware the Bainbridge Island community has been seeking to expand indoor space for many years to meet the island's current demand for indoor programming. The 53,000 sq. ft. recreation center will provide many new indoor activities for the community to enjoy throughout the year. We look forward to seeing you at the Bainbridge Island Recreation Center this fall!
