Death Box

PREFERRED TRANSITION FEATURES

TIMELESS DESIGN

- Flow
- Progression
- Aesthetics

BAINBRIDGE ISLAND SKATEPARK

INTEGRATION AND CONTEXT

- Project Goals
- Site Analysis
- Local Identity

PROJECT GOALS

- **Compliment the current skate bowl at Strawberry Hill with a new state of the art, cast in place concrete skatepark addition.**
- **The design of the new addition should result of input from the community through a public outreach process that engages end users and get their buy in on the final design.**
- **Create a large and diverse skatepark to accommodate all different styles of riding (street, bowl, roller, scooter).**
