

RFQ – Meigs Bird Blinds

Questions and Answers – 9.11.2023

1. Has any preliminary design or environmental documentation been completed for the project?

Yes, we have a preferred layout and site plan. The District completed a wetland survey of the site.

2. The RFQ says blinds, boardwalks, and trails are program elements; have these been sighted or analyzed?

We have conceptually sited where we would like to build elements but have not completed a survey or any firm physical locates.

3. Can you give us an approximate range for the initial phase budget?

The budget will be negotiated with the most qualified candidate.
