SECTION 18: GENERAL PROVISIONS

Contractor may not assign its rights or obligations arising under this Agreement without the prior written consent of the District. This Agreement will be interpreted and enforced in accordance with the laws of the State of Washington. In any dispute arising out of this Agreement, the substantially prevailing party shall recover its costs and reasonable attorney fees from the other party. This Agreement may be modified only by a writing signed by the parties. This Agreement represents the entire Agreement, and supersedes any prior Agreements (oral or written), between the parties with respect to the matters herein. This Agreement may be executed in counterparts, and electronic signatures shall be deemed the equivalent of original signatures for all purposes. If any provision of this Agreement shall be determined by a court of competent jurisdiction to be unenforceable, such determination shall not affect the enforceability of any other provision.
