SWIM LESSONS FOR ALL!

Ages 7-45. Are loud splashy group lessons overwhelming? Sensory needs can be challenging to accommodate in the group lesson setting; that's where adaptive swim lessons can help. These lessons are provided in a small-group setting. They are created for those with anxiety, physical, communication, and/or behavior challenges. Instructor Cody Ogren will connect with each family prior to the introductory class meeting.

You will be required to complete an online consultation questionnaire when registering to help us plan to best work with each student. Participants will be grouped by like abilities, based on information provided. Questionnaires not received two weeks prior to the start of lessons will forfeit their spot to the next person on the waitlist.
