Summer 2025 Session 1

Welcome to our “Discover Bainbridge” walking group. We hope you will enjoy meeting new friends and developing a new appreciation of our island home. Most of our walks combine roads and trails, typically with a steep hill or two and a little mud if it’s been raining. Please wear sturdy shoes and dress appropriately for the weather. We walk rain or shine.

In response to feedback, more precise meeting and parking information has been added to the schedule, including links to directions. Please do let us know if you have questions or need more detail!

Please consider this schedule to be your key source of information for the session. We will, of course, be sure to message you should there be any updates, such as weather alerts or other pertinent details.

Walks begin at 9:00 and usually finish about 11:00 am. Our pace is comfortable (about 25 minutes/mile), with occasional pauses at points of interest. Though you will no doubt get caught up in conversations with other walkers, don’t neglect looking around you. You may want to have a camera or smart phone to record the lovely scenes and a map or GPS app to improve your sense of place.

Schedule

6/15 – Rotary Park Lost Valley - <https://www.komoot.com/tour/2325595591>

6/22 - Deerpath Lane to Gazzam via Opal Ridge – [http://google.com/maps/place/Parking Location
<https://www.komoot.com/tour/2340279451>](http://google.com/maps/place/Parking+Location+https://www.komoot.com/tour/2340279451)
